MASTERTRONIC added DIMENSION
Played between two droids on a specially constructed pitch, Vectorball is an exciting blend of many different traditional games.
Using all your skill guide the droid around the pitch in an attempt to score more goals than your opponent.
Five different pitch types to choose from, each with its own characteristics. Each pitch will require a different skill and combining all the various skills will enable you to master the game.
– EXCITING GAMEPLAY
– ONE OR TWO PLAYER OPTION
DESIGNED AND PROGRAMMED BY BINARY DESIGN
